INTRODUCTION

LOCAL PUBLIC LIBRARIES

THE PARTICIPANTS

The 1984 library statistical report questionnaire was mailed to 316 Kansas libraries which operate as public libraries. Four libraries were in noncompliance with K.S.A. 12-1225, which requires libraries to provide the requested data. The libraries are Athol, Burr Oak, Hepler and Gaylord.

Central Kansas Library System has 54 public libraries, 53 of which are legally established. The library at Burdett is operated by a civic club.

North Central Kansas Library System has 37 public libraries, 36 of which are legally established. Hartford levies a library tax for library operations but was never formally organized. The library at Cottonwood Falls has joined the regional system within the past year.

Northeast Kansas Library System was 41 public libraries, 40 of which are legally established. The library at Melvern is operated by a civic club. Kansas City has joined the regional system since the 1983 report was published. A library at Basehor, established by election in 1984, will be added to the 1985 report.

Northwest Kansas Library System has 21 public libraries, of which two--the libraries at McDonald and Clayton--are operated by civic clubs. The other 19 are legally established libraries.

South Central Kansas Library System has 69 public libraries. A library at Cunningham was established by the voters in 1984 and will be represented in the 1985 statistical report. The library at St. John joined the regional system during 1984.

Southeast Kansas Library System has 57 public libraries. A new library at Fall River, legally established in 1983, is represented in the statistical report for the first time.

Southwest Kansas Library System has 37 public libraries. The Gray County Library District, a legally established library, operates through the Cimarron City Library, by contract, but separate statistics are not kept, hence the name of one library reflects the statistics for two separate library taxing districts. During 1984, the library at Bucklin began operation as a legally established library. The library at Spearville is operated by a civic club, and the library at Belpre is operated through an endowment from Henry Laird. The libraries at Hugoton and Protection joined the regional system during 1984. A library at Kismet, established by election in 1984, will begin operation as a legally established library in 1985 and will be represented in the 1985 statistical report.

A total of 1,835,625 persons were served by the 309 legally established public libraries in Kansas in 1984.

LIBRARY MATERIALS

Public libraries in Kansas owned 6,094,852 volumes in their collections at the end of 1984. During the year 317,636 volumes were added to these collections.

The reporting libraries indicated they had 19,784 periodical titles in 1984, and 180,282 recordings.

The State Film Center has approximately 1,600 titles.

SERVICES AND CIRCULATION

Registered borrowers are reported as 1,085,103, a misleading figure since many smaller libraries do not register borrowers. Approximately 60 libraries have formally organized "Friends of the Library" groups.

Kansas public libraries were open a total of 8,940.5 hours per week in 1984.

A total of 13,337,973 items were circulated during 1984 (7.3 per capita). Of this amount, 63,821 items were sent via interlibrary loan, and 74,382 bulk loans were made. Public libraries received 386,366 rotating books from the regional system headquarters.

CONSTRUCTION

New library buildings have been built in Plainville, Valley Center, McCune and Elkhart. Major remodeling projects were undertaken at Halstead and at Palco, where a former bank building was completely renovated for use as a library. Topeka made an addition to its library building for use as the headquarters of the Subregional Library for the Blind and Physically Handicapped. Stockton and Atchison each made major additions to their existing library buildings. The projects at Atchison, Topeka and Valley Center received federal assistance through Title II, Library Services and Construction Act, funds.

REGIONAL SYSTEMS OF COOPERATING LIBRARIES

FUNDING

The seven regional systems had total budgets of $3,857,650, derived from system property tax, federal-state grants-in-aid, contractual agreements and miscellaneous sources. This figure includes $292,252 carryover funds. Total expenditures for 1984 were $3,503,648.

RESOURCES

A total of 266,545 volumes were owned by systems at the end of 1984. 17,633 volumes were added during the year. The systems owned 12,385 large print books and 329 paid periodical subscriptions. Six of the systems owned 5,621 recordings.

CIRCULATION

Total books and non-book library materials circulated by the seven systems during 1984 numbered 1,029,605 items. 12,428 rural patrons in 62 counties received books by mail from the regional systems. 296 libraries received rotating books which supplement the libraries' own collections.

WORKSHOPS

During 1984, the systems gave 51 workshops, presented 105 times, on various library-related topics to 2,748 librarians, trustees and interested citizens.

PERSONNEL

The systems have 19 employees with M.L.S. degrees and 18 with bachelor's degrees. The average starting salary for a person holding an M.L.S. degree is $13,055.
